

Parade

Nessly

We just want them bands
Macy they parade
Throw them bands like a bouquet
Drumroll with my bankroll
On the highway with my tank full
Yeah, we just want those bands, yeah
We just want those bands, yeah
We just want those bands
Yeah yeah yeah yeah
We just want those bands, yeah
We just want those bands, yeah
We just want those bands
Yeah yeah yeah yeah

Watch my new hundreds, they fall from the sky, look like virus
Counting while moving the tons like I'm dodging the officers
Got a whole lot of money 'cause I put in a lot of work
This ain't a waterpark, shawty quit all of the waterworks
Summertime, I had my eye on it
Take the bands and vanish to Versailles on 'em
I go to Venezuela where the climate warmer
I'm just flexing all night, trying on 'em
I'ma fuck 'em both, I ain't deciding on 'em
Doing karate in the Maserati
Diamonds on me dripping like Dasani
I'm Michael Jordan, this the finals homie

We just want them bands
Macy they parade
Throw them bands like a bouquet
Drumroll with my bankroll
On the highway with my tank full
Yeah, we just want those bands, yeah
We just want those bands, yeah
We just want those bands
Yeah yeah yeah yeah
We just want those bands, yeah
We just want those bands, yeah
We just want those bands
Yeah yeah yeah yeah

All my diamonds dancing just like Ellen

Codeine inside my piña colada
I shouldn't be doing this while I'm driving
I worked the most so I get the most
Call me the Rari then keep the Ghost
I double up two, one for me and Colby
I'm flexing so much, it ain't just for post
