

Piranhas

Nessly

My ex bitch said I did her wrong
Soon as the check drop I'm gone
I'm out here dodgin' piranhas
I'm out here chasin' these commas
And they all got something to say
I'm still getting paid so fuck all the comments
The young boy is really a star
You see me up there with the comets

Yeah yeah half a million in my mofuckin' closet
You can't have my phone number unless you leave a deposit (beep beep beep be
ep that cash)
Better have the rotten number ready
In the Audi I'm Mario and Jetty

Cake on a model bitch Lil Debbie
How much bands young Nessly countin'
Whole school system that's how many

Had to go chop a lil' diamond off from the side
So I can make this mofuckin' bracelet fit
If I'm naked call it skinnydip

These niggas swear they rappers so they cop a Rolly
But they need to get it pawned

Rappin' like he on the Forbes list
My age dressin' like he forty
All the paper piling up inside the palace

All my money on stilts
The money brought me back to life
These niggas money is a lie
