Nessly

Nessly still finessin', yeah  
Nessly still finessin', Nessly still

Tryna pop off my pop career  
Feel like I ain't seen my pops in years  
Now every second really nerve wrecking  
If I don't get two mil I might rob your hair  
I'm with that drama like Tyler Perry  
All my young boys they get that motherfuckin' cake  
They probably beat 'em at a college fair  
I'ma make that shit my career  
Yeah, now pockets look like pop charts  
My newest chain is a pop-tart  
I am the face, I'm the popstar  
I got someone who will pop TECs  
I'm tryna tell you boy do not start  
I left the keys in the trunk  
Had to speak to the Tesla just to make the car start  
I park it on the lawn like golf cart, yeah

I am the one, I'm a popstar  
I am the face, I'm a popstar  
I like to skrt in them hot cars  
The diamonds on me look like popcorn  
I need the Teen Choice Award  
Then I flick up and go out and fuck a bad broad  
Yeah, I am the one, I'm a popstar  
I am the face, I'm a popstar  
I am the one, I'm a popstar  
My newest chain is a pop-tart  
My money look like the pop charts  
I am the face, I'm a popstar  
I am the face, I'm a popstar, yeah

Diamonds on me look like sprinkled donuts  
Red bottoms, cherry pop-tart  
My new bitch she sing like a popstar  
McQueen with the skulls, I'm a rockstar  
London turned me to a rap star  
I beat up the pot like a trap star  
I chase the sack like I'm playin' Madden  
I been runnin' checks up, all these niggas cappin'  
Needed money so I started rappin'  
I'ma beat a fade, nigga I ain't scrappin'  
I'm flexing, I was the undertaker  
I'ma fuck on a bitch 'til she started tappin'  
Triple-X, pornstar  
I hang with drillers and them fraud stars  
And I'm mixed race, I ain't quarter caste  
Three shows cost a Audemars

I am the one, I'm a popstar  
I am the face, I'm a popstar  
I like to skrt in them hot cars  
The diamonds on me look like popcorn  
I need the Teen Choice Award  
Then I flick up and go out and fuck a bad broad

Yeah, I am the one, I'm a popstar  
I am the face, I'm a popstar  
I am the one, I'm a popstar  
My newest chain is a pop-tart  
My money look like the pop charts  
I am the face, I'm a popstar  
I am the face, I'm a popstar, yeah

I am the face, I'm a popstar  
Now my pockets look like pop-tarts  
The money machine sound like a motherfuckin' call drop  
Somebody better tell 'em I ain't playin'  
Ice on me, I'm a hockey player  
Shawty mad that I missed her calls  
Had to meet my jeweler in the Himalayas  
Slowin' down on my lean habit  
I really miss it on my taste pallets  
Heard you niggas say you gettin' money  
Why the fuck they got you rockin' Steve Madden?  
My baby know I'm a popstar  
I just go out and I pop tags  
Started my day in a cop car  
Flew out the country and now I got jetlag  
Landed in Paris, I'm lookin' for Wockhardt  
Tell my assistant go get that

I am the one, I'm a popstar  
Look at my face, I'm a popstar  
I like to skrt in them hot cars  
Look at my face, I'm a popstar  
Look at my jeans, I look pop-tarts  
Look at my gold, it look popcorn  
Oh my God I'm a popstar

Yeah, I am the one, I'm a popstar  
I am the face, I'm a popstar
