

# Prairie Fields

Nessly

Tip toe'in through the prairie fields  
I could turn your life into a fairy tale (hmm)  
Pop a seal and come marry me  
Blink twice, my diamonds very real (hmm)

Say the feelings too surreal  
I make you feel beautiful, yeah  
I make you feel beautiful  
Percoset got you rollin' like a fire drill  
Come, visit my castle, see my ferris wheel  
I pour that drink, I love that pink just like Paris Hilton  
Gon' crash land on my island  
I think about you when you're absent, fight it

I could teach you 'bout the mix  
I could let you sip this purp'  
But, you hit the gas, and we do return to Earth  
Clutch, might swerve, keep on staring at that syrup  
Take a sip, I hit the switch, then put your phone do not disturb  
(Mmm, yeah)

Oh, we made it work, we made it work  
Stick the hunnids' in the laundry, we gon' clean 'em with the shirts (Ooh)  
This designer, your attire, think Chanel done made your merch  
Fuck your friend, then go again, I always leave you some dessert

I could teach you 'bout the mix  
I could let you sip this purp'
