

Señorita  
Señorita  
Shawty tryna rob me for my dope  
Seen the way that she eying my dope  
When we finished, bitch you gotta go  
I'ma hit it then you gotta hit the road  
Señorita  
Señorita  
Señorita  
Señorita

I just turned a house party to a note  
Told my bro make sure you close the door  
Shawty tryna rob me for my dope  
Cause I rob her nigga for his dope  
Man my lawyers and my jewelers Jewish  
I go blind from staring at my rubies  
Diamonds look like they dropped in a jacuzzi  
My shit so shiny it might cause confusion  
Try to keep up with me, he go broke  
Try to keep up with me, he go broke  
We both know that he don't want no smoke  
Watch that nigga drown while tryna stay afloat

Shawty tryna rob me for my dope  
Seen the way that she eying my dope  
When we finished, bitch you gotta go  
I'ma hit it then you gotta hit the road
