Nessly

You gon' make me empty out this clip, yah  
For that money, I get lit, yah  
I fuck up a check, I never quit, yah  
They don't wanna see me rich, yah [\*beep\*]

Can't let a hoe get in the way of the door  
She gotta bust, baby, she gotta go  
There's enough of discussion, she already know  
Like, bro, when I touch it, I pass on her throat  
Girl, you know you don't need him (yah)  
You better off if you leave him (yah)  
I been cashin' out at Saks Fifth (yah)  
I been ballin' out of Neiman's (yah, yah)  
A new rack smell like a new purse  
I'ma turn up for that new Porsche  
I'ma whip it till I'm too [?]  
All these niggas say, "Too forced" [\*beep\*]

You gon' make me empty out this clip, yah  
For that money, I get lit, yah  
I fuck up a check, I never quit, yah  
They don't wanna see me rich, yah

I fuck with these niggas, I know how it go  
They hate it and fake it the same ones that be throwin' stones  
They see you stop poppin' and now they blowin' up your phone  
Don't got any clout to give out, you gotta blow up on your own  
Thirsty hoe, tryna suck me dry for some clout, ayy  
Boy, you know I'm smart, take that mouth then I'm out, ayy  
If she at my crib, I take the alternate route, ayy  
Tryna trick me say she love me, that's one thing I doubt, ayy

You gon' make me empty out this clip, yah  
For that money, I get lit, yah  
I fuck up a check, I never quit, yah  
They don't wanna see me rich, yah
