

Too Tired

Nessly

I'm too tired of these fake models, fake ass niggas and they fake models

Too tired of these bitches tryna meet my momma

She almost died on the dance floor
She ain't wanna spend ten on a bottle water
[?] bitches zombies, she come alive on molly
I know she lost in Los Angeles cause she so used to Raleigh
His bitch model on instagram and he think he winning
Tell all the decent women that my piece is hitting
My life, got one too many leeches in it
She say her heart is in my pocket why she reaching in it
Yea, she too committed to those drugs
Yea, she too committed to those drugs
Yea, shawty wanna get married in the club
I had to ask her when she'll ever get enough

She got a one way to LA, pray that she date a ball player one day
She got a big ass, that match her big hopes
She bounce it for the cash, like a 64
She told the doctor write the script like a sick note
Heart almost popped, she had a panic at the disco
She think I'm impressed, but she just got me stressed
But if you want some dick then bitch come on give me the signal

I'm too tired of these fake models, fake ass niggas and they fake models

Too tired of these bitches tryna meet my momma
Yea, she too committed to those drugs
Yea, she too committed to those drugs
Yea, shawty wanna get married in the club
I had to ask her when she'll ever get enough

Yea, she too committed to those drugs
Everyday is the same, you never say that's enough
I've been drinking while you're rolling all this stuff
I can get you girl, you'll never get enough
Yeah Yeah, won't you make my night
Ash it on your spine, makes you feel alright
I can get you but I'm tired alright
Asking if you'd find a waste of time alright

I'm too tired of these fake models, fake ass niggas and they fake models

Too tired of these bitches tryna meet my momma
Yea, she too committed to those drugs
Yea, she too committed to those drugs
Yea, shawty wanna get married in the club
I had to ask her when she'll ever get enough
