

You so vintage you vinyl you vinyl you retro arrival you got the supply  
You so vintage you vinyl you vinyl and I know without you no I'd rather die  
I'd just decide one day I want it our way and you I cannot replace  
You so vintage you vinyl you vinyl and I know sin ti prefiero morir

Swayze Patrick, we just dirty dancing  
1989 like we stepping back in time on wee you're mine ridiculous  
You so villainous you're the remedy and everything  
That's killing these girls feeling themselves  
Take them off the pedestal like hands down stand down bow out wow  
You're so effortless viscous and bad

You so vintage you vinyl you vinyl you retro arrival you got the supply  
You so vintage you vinyl you vinyl and I know without you no I'd rather die

I popped her sprinkler  
She wanna go viral  
She ride me like  
Yippie ki yay  
I keep two sticks  
Like a maestro  
I might just go psycho  
If they one step closer to this i8  
I might purposely fail  
This lil corona test  
That's a free refill on this quali-test  
I just thank God the car autonomous  
Otherwise we'd have to pull over to stop to rest

If I love you  
Buy you Prada, Gucci  
Ice your rink  
Your wrist on Kristen Yamaguchi  
Real nigga, don't gotta gossip  
For no coochie  
I can't trust these bitches  
Like a dollar sushi  
I'm on drank  
It's the problem, it's the antidote  
20 women I'm a kid inside the candy store  
And she still into me like she into Paramore  
The Lamborghini is a bull  
And I'm a matador

You so vintage you vinyl you vinyl you retro arrival you got the supply  
You so vintage you vinyl you vinyl and I know without you no I'd rather die  
I'd just decide one day I want it our way and you I cannot replace  
You so vintage you vinyl you vinyl and I know sin ti prefiero morir

Ooohh  
Tell me what you see  
When you look in the mirror do you think of me  
Do you think about it in your bed before you sleep  
Fantasizing all the ways you think we meant to be  
I got everything everything you want  
But the question is can you handle it all  
I know I'm moving fast but don't get me wrong just

Because I am vintage that don't make me your collectible  
Ooohh Coquelito  
You gon be long soon as we throw it back  
I like it like that is gonna be the time you and I could feel that

You so vintage you vinyl you vinyl you retro arrival you got the supply  
You so vintage you vinyl you vinyl and I know without you no I'd rather die  
I'd just decide one day I want it our way and you I cannot replace  
You so vintage you vinyl you vinyl and I know sin ti prefiero morir
