

I text her an eggplant emoji, yeah
I pull out my phone how we rollin', yeah
I turn her suite into V-Live, yeah
Jump off of the porch and I deep dive, yeah, yeah

She do a split on my banana
She wanna let me hit that punani
I just raided my house lil baby with a model
I stop at the 7-Eleven for condoms
Lickin' my finger like I got done eatin' Doritos, uh, yeah
I put a shot in your dot and then reload the needle, ayy, uh, uh
She get so wet that I call her phone number like FEMA
Coke on her nail, coke on her skin like a Libra
I snatched away the kingdom
She dig her nails in my back and I made her sing louder
I feel like Wolverine when I rip off them jeans I bought her
Ooh, yeah

I text her an eggplant emoji, yeah
I pull out my phone how we rollin', yeah
I turn her suite into V-Live, yeah
Jump off of the porch and I deep dive, yeah, yeah

I want you to please me
Ayy, baby just don't tease me
She said she gon' work it, work it, work it like she RiRi
She think she a boss so she act like she don't need me
I still made her suck it, suck the dick until it, ayy
I can be the teacher, I really need a preacher
I'm 'bout to hit her phone and tell her pray for the monefa, ayy
Shawty name Onicia, say she ridin', can I meet her?
Her nigga know she cheatin' but I think he want a feature
My diamonds they on blinker, cookie louder than a speaker
I keep two iPhones, one for business, one for games
Brand new money, bitch I got it out the street
Bum nigga want a feature, tell his ass to say please

I text her an eggplant emoji, yeah
I pull out my phone how we rollin', yeah
I turn her suite into V-Live, yeah
Jump off of the porch and I deep dive, yeah, yeah
I text her an eggplant emoji, yeah
I pull out my phone how we rollin', yeah
I turn her suite into V-Live, yeah
Jump off of the porch and I deep dive, yeah, yeah
