

A Losing Game

Nestor

So you know what you want to do
Together we're going nowhere
But do you care?
'Cause constantly
You're telling me that talk is cheap
That you and I are in too deep
So are we gonna take some action?

Don't stop believing
In the lovers we used to be
We got to step out of the dark
'Cause we play a losing game
Just keep on believing
And hold on to the memory
We got to find it in our hearts
'Cause we play a losing game

Still recall when the dream was pure
Remember us when love was still young
Way back then
Days like these
Would just seem unthinkable
That you and I would stand to fall
We always had a new beginning

Don't stop believing
In the lovers we used to be
We got to step out of the dark
'Cause we play a losing game
Just keep on believing
And hold on to the memory
We got to find it in our hearts
'Cause we play a losing game

Don't stop believing
In the lovers we used to be
We got to step out of the dark
'Cause we play a losing game
Just keep on believing
And hold on to the memory
We got to find it in our hearts
'Cause we play a losing game

We play a losing game you and I
We play a losing game
