

Broken Bottles

Netsky

In the middle now you've come and gone lost
Black as widow without you no sunset, so
On nights like these I'm so undead
An endless point, oh

I don't wanna be the wish you don't want
In a couple of the gin I go bust, oh
'Cause I ain't seen much
But I've seen love
And my heart goes down

It's a wonder how I'm still breathing
Used to have it, but I lost the meaning
Didn't think it would be like this never, never
Yeah

It's a wonder how I'm still beating
It's all love until your lover's leaving
Didn't think that it would be like this never

I tell myself that I'm fine
These broken bottles will solve
All my problems
Problems
Yeah
I'll quit, I just need some time
To fix my life that she broke
Oh
My love
My love

These broken bottles will solve
All my problems
Problems
Yeah
These broken bottles will solve
All my problems
Problems

Meet you in another life
I just need a little time
'Cause nights like these
When I can't reach you I lose my mind so

I'll meet you in another life
I just need a little time
I'll meet you in another life

I tell myself that I'm fine
These broken bottles will solve
All my problems
Problems
Yeah
I'll quit, I just need some time
To fix my life that she broke
Oh
My love

My love

These broken bottles will solve
All my problems
Problems
Yeah

These broken bottles will solve
All my problems
Problems
Yeah

These broken bottles will solve
All my problems
Problems
Yeah

These broken bottles will solve
All my problems
Problems

Meet you in another life
I just need a little time
'Cause nights like these
When I can't reach you out of my mind

Meet you in another life
I just need a little time
'Cause nights like these
When I can't reach you out of my mind
