I, I, I, I

I been feelin' your energy, I've been wantin' you next to me, you been looking for ecstasy, well you know we had a chemistry, if you love me right baby please, I can never be your enemy, it's something 'bout that remedy, got me feeling like it's destiny

I, I, I, I

Dest-dest, dest-dest  
Dest-dest, dest-dest

I been feelin' your energy, I've been wantin' you next to me, you been looking for ecstasy, well you know we had a chemistry, if you love me right baby please, I can never be your enemy, it's something 'bout that remedy, got me feeling like it's destiny
