

Float

Netsky

We all need to love you, I know we gon' make it better, we go m
ake it better for you

We all need to love you, I know we gon' make it better, we go m
ake it better for you

I know we gon' make it better, we go make it better for you
I know we gon' make it better, we go make it better for you

We all need to love you, I know we gon' make it better, we gon'
make it better for you

We all need to love you, I know we gon' make it better, we gon'
make it better for you

We all need to love you, I know we gon' make it better, we gon'
make it better for you

We all need to love you, I know we gon' make it better, we gon'
make it better for you
