

## Go 2

Netsky

I only get high when I'm with you  
Oh, I only find myself as she said to  
She's the monsoon, she's the one for me  
Cause she's the sun, too, the one I run to  
My time's running out and I can't look where I might go 2  
My time's running out and I can't look where I might go 2

I only get high when I'm with you  
Oh, I only find myself as she said to
