

## Hold On

Netsky

Ooway, Ooway  
Ooway, Ooway  
Ooway, Ooway  
Ooway, Ooway

When the world stops moving, and the days blur into one  
I know you feel like your losing, but the best is yet to come

We've been missing a connection through the distance, it feels  
like everything we have is going wrong, We try to fight off our  
demons and remember that feeling, cause I promise you it won't  
be that long

If only we can hold on, when all of this is over, I'll see your  
face again  
If only we can hold on, when all of this is over, I'll see your  
face again

If only we can hold on, hold on, hold on, hold on, if only we c  
ould, hold on  
When all of this is over, I'll see your face again

We've been low on patience, getting lost in translation, some d  
ays it feels like we're gonna lose it all  
But if we hold on to the faith that, if we're meant to be, we'l  
l make it, and I can promise you it won't be that long

If only we can hold on, hold on, hold on, hold on, if only we c  
ould, hold on  
When all of this is over, I'll see your face again

It's feeling like we're worlds apart, when no matter what the d  
istance you are always in my heart  
Woah, and I know you're feeling down but don't worry cause I'll  
find a way to turn it all around

If only we can hold on, when all of this is over, I'll see your  
face again  
If only we can hold on, when all of this is over, I'll see your  
face again

If only we can hold on, 'if only if only' hold on, hold on, hol  
d on, if only we could, hold on  
When all of this is over, I'll see your face again

I'll see your face again
