

Starlight

Netsky

And starlight filled the evening
And starlight filled the evening

Starlight filled the evening
And starlight filled the evening
Starlight filled the evening
And starlight filled the evening
Naive notions that were childish

And starlight filled the evening
And starlight filled the evening
And starlight filled the evening
And starlight filled the evening
Naive notions that were childish

And starlight filled the evening
And starlight filled the evening
And starlight filled the evening
And starlight filled the evening
And starlight filled the evening
And starlight filled the evening
And starlight filled the evening

Naive notions that were childish

And starlight filled the evening
And starlight filled the evening
And starlight filled the evening
Naive notions that were childish

And starlight filled the evening
And starlight filled the evening
