

Téquila Limonada

Netsky

Llamándome la noche, Corazón
You don't want to know if I'm alone
Girl, got them [?] so strong
Everything they telling you is wrong

Vente pa' aca pa' la cama
Téquila limonada
You gotta let go of the drama
Es tu y yo
(Tu y yo)

Girl, you know I want what you want ahh
Téquila limonada
Vamo le a ha ese drama
Es tu y yo
(Tu y yo)

Mamá, wait up
They just want us to break up
What they say been made up
Either way they goin' hate us

Don't gotta say much
Let's not let it change us
What they say been made up
Either way they goin' hate us

Vente pa' aca pa' la cama
Téquila limonada
You gotta let go of the drama
Es tu y yo
