You make me feel so DUM, DUM, DUM, DUM, DUM, DUM
You make me feel like I'm not thinking, not thinking, not thinking, not thinking

You make me feel so DUM DUM, DUM DUM, DUM DUM, DUM DUM, DUM DUM, DUM DUM
You make me feel so DUM DUM, DUM DUM, DUM DUM, DUM DUM, DUM DUM, DUM DUM
You make me feel so

I got a liquid brain
Leaks out my ear when you say my name
I got a GED and a PHD when you speak it flows down, down
You tell me parlez vous francais
Baby I don't really parlez vous francais
But when I see you I wanna take your pretty face dip it in my, my parfait, k

Will you be my lover
I wanna tell my mother
Think I found my perfect ten
You fill my mouth with water

You make me feel so DUM, DUM, DUM, DUM, DUM, DUM
You make me feel like I'm not thinking, not thinking, not thinking, not thinking

You make me feel so DUM DUM, DUM DUM, DUM DUM, DUM DUM, DUM DUM, DUM DUM
You make me feel so DUM DUM, DUM DUM, DUM DUM, DUM DUM, DUM DUM, DUM DUM
You make me feel so

Woo!
I was going dizzy
Stop before you come near
'Cause everytime you whispering in my ear
My belly's going
Wooo
Oh dear

Woah
I do not know
My head is lava and my feet are in the snow
Meltin' everything from my eyes to my toes
Pick my brain baby
Pull out the dough
Whoa

Will you be my lover
I wanna tell my mother
Think I found my perfect 10
You fill my mouth with water

Can you (my lover)
Be mine (my lover)
I beg (my lover)
I cry

You make me feel so DUM, DUM, DUM, DUM, DUM, DUM
You make me feel like I'm not thinking, not thinking, not thinking, not thinking

You make me feel so DUM DUM, DUM DUM, DUM DUM, DUM DUM, DUM DUM, DUM DUM
You make me feel so DUM DUM, DUM DUM, DUM DUM, DUM DUM, DUM DUM, DUM DUM
You make me feel so DUM DUM, DUM DUM, DUM DUM, DUM DUM, DUM DUM, DUM DUM
