

Ricki Lake

Netta

I don't need ya high heels, bitch I'm higher
Way up where, they can't touch me
See this face, no I don't look tired
'Cause I don't forget to hydrate

Who you think I was
When it's all, right in front of ya
Tell me what you want
Guess what, I don't give a shit
Baby I dance to my own damn drum
And if they don't then they dumb-dumb-dumb
Ooh, she looking good
She so fire, who is that I see
Moving all around in the mirror
Oh my God, it's me
Baby I dance to my own damn-drum
And if they don't then they dumb-dumb-dumb

I'm not gonna teach you how to bake a cake
I don't need your problems, I'm not Ricki Lake
Diamonds on my finger but my hair is fake
Ah-ah-ah-ah-ah

Dumb-d-dumb-dumb-dumb-d-d-dumb-dumb
Dumb-d-dumb-dumb-dumb-dumb-dumb-dumb-dumb
Dumb-d-dumb-dumb-dumb-d-d-dumb-dumb
Dumb-d-dumb-dumb-dumb-dumb-dumb-dumb-dumb

Never overthink
Have a drink, baby loosen up
I'ma level up, fill a cup
Make you fall in love
Baby I dance to my own damn drum
And if they don't then they dumb-dumb-dumb
Baby I dance to my own damn drum
And if they don't then they dumb-dumb-dumb

I'm not gonna teach you how to bake a cake
I don't need your problems, I'm not Ricki Lake
Diamonds on my finger but my hair is fake
Ah-ah-ah-ah-ah

I don't need ya high heels, bitch I'm higher
