

Yeah, and if we jumpin' out the 'Benz, watch your dinner plate
And when we walk down, swerve in that cr...

Yeah, bitch my name Nett
Rockin' with my name... my name Nett
When we walked down with that stick, John Cena
Me and St47ic, Maxxed up, Kriss Vec'
We ain't runnin' out of paper, I get all the leaf
Why yo' hoe hittin' the pole but she on a leash?
Bitch my name Nett
In the party with your bitch, yeah, she screaming "Nett"
And they heard them gunshots, get off the internet
I ain't rocking bout that shit, seen it in the VA
Bitch I walk into them house, I put the gun away
Said I really miss my brudda, what the fuck
And if we jumpin' out the 'Benz, watch your dinner plate
I'm with Zuro in the spot with your hoe face
All the hoes give they face fucked, yeah colegate
Yeah, why you suckin' tip and getting none out of it?
And when we walk down, swerve in that cr...
