

Forever

Nettspend

She'll want this forever
Like, she'll want this forever
Shit, it might be gone
And it all might be gone and it won't last forever
Everything that we did, it all might be gone, like, yeah
Yeah

Everything we did together, uh
I-I wouldn't trade that for anything, yeah
Everything we did together
Uh, everything we did together (ok is the hardest, I swear to God)
E-everything we did together (We gon' be okay)
Uh, I remember it was you
I-I ain't know what to do, hands sweating, like, shit
I swear, I wouldn't wanna be your friend
N-nothing lasts forever (Uh, uh), but I know I do (What?)
I cried to you, I, I lied to you, but it's whatever
I don't know what to do
Which ever way I go, I wanna go with you, uh, forever
(Forever, forever, forever)
Wah, you-you called my phone so many times and yet you block me
out of spite?

I know that you cannot stop this, uh
And I won't let you (Let you, I won't let you)
I won't let you leave (Leave, leave)
We might be better friends when I'm twenty-three

Everything we did together
I-I wouldn't trade that for anything
E-everything we did together
Everything we did together
E-everything we did together
I remember it was you
I-I ain't know what to do, hands sweating, like, shit
I swear, I wouldn't wanna be your friend
N-nothing lasts forever (No, no), but I know I do (Like)
I cried to you, I, I lied to you, but it's whatever (It's whatever)
I don't know what to do
Which ever way I go, I wanna go with you, uh, forever
(Forever, forever)
Wah, you-you called my phone so many times and yet you block me
out of spite?
