

Growing Up

Nettspend

It get weird, it get weird growing up
I don't want no love, but I don't think you did enough
In the club, you growing up
Fuck, shit, that's why I keep on throwing up
Why should I keep on pouring up?
I wish I could just not grow up
I wish I just could not pour up
All I wanna do is chill inside a slut truck

I think she know what's up, but she don't give a fuck (Nah)
They say "Nettspend the one", I make her have some fun, yeah
It might be [?], but I'm one, yeah
When I'm like 27, I don't wanna be in the club, shit (Mm)
TRX, took a risk, I'm on dumb shit
Yeah, I'm on dumb shit
Let's have fun before I'm done, bitch
Let's go one, number one clique

It get weird, it get weird growing up
I don't want no love, but I don't think you did enough
In the club, you growing up
Fuck, shit, that's why I keep on throwing up
