Tell a hoe to feel me?
Yeah, yeah

Where her friends at?
Tell 'em, tell 'em come get me (Uh)
Why is everyone against me?
Might have to throw it like a Frisbee
She all on Tumblr tryna me be like spliff
If I die tomorrow, could you still kiss me?
Black AF1s, say, lemme see your wrist (Uh-huh)
On the hunt for bliss (Uh-huh)
Scratch your name off the list (Uh-huh)
Where the fuck the tris? (Uh)
I need to get a grip (Uh-huh)
I need to get a fix (Uh-huh)
Let's take a lotta pics (Uh-huh)

They know know that you my lil' shit (Uh)

Nah, I'm so lit, so lit, so- (Uh)
