

## Tell Yourself

Nettspend

Yeah, ooh, ooh, ooh  
Yeah

Bitch it's Nett, when I shoot it's Nett  
She really want the sex but I only want the head  
It's just me, not me versus you  
Now you [?], you tryna make it through  
Yeah

Bitch it's Nett, when I shoot it's Nett  
I call my brudda on the phone and said I'm up next  
Ain't nobody told me that but I done told myself  
If you don't tell yourself, you might end up fucking killing yo  
urself  
It's just Nett, ain't nobody Nett  
It's just me, ain't nobody me

But now we up, you cannot tell me-  
But now we up, you cannot tell me that  
All that Twitter dissing, fuck your rap  
Yuh, went up the store, yuh, went up to the store and bought a  
wrap
