

# That Shit Wont Easy

Nettspend

Swag...

Swag, swag, that you never had

I was just in the club

It was bitches shaking ass

Throw it back on the net, they so quick to talk on the net

And when we spend, we spend correct

And when you spend that shit ain't it

When I spend, I spend all them bucks

And when I'm jumping out that bitch

And then I jet, I got the ball

I said I'm jumping in this bitch

I'm on the scene, I'm with my brothas

Gen 23 my Glock, and Killjae gonna swing that...

You don't got the bop

And when you talk down, you get stomped

Because I told you put that front, (Up, Up) Up

Swag... Swag that you never had

I'm the one, they just tell me that

H-H-H-Ha...
