

## Down the Drain

Neurotech

Artifacts of human creation  
Human sceptic - the toxic cure  
Concrete graves reaching the sky  
For the dead that follow lies

Inject the immaculate  
Another perception leads to another dimension

Hey  
Down the Drain  
The primal scorn is lost  
Down the Drain  
Slain for the ultimate cost

Without an eye to see your treason  
Without an tongue to taste your emptiness  
Faith is drowning in delusional minds  
The construct for all that follow lies

Another perception awaits

Without dignity  
Without power  
Avid ambition to sum your sin  
Crawls in your wasteland  
For you another dimension awaits

Hey  
Down the Drain  
The primal scorn is lost  
Down the Drain  
Slain for the ultimate cost  
Down the Drain  
The primal scorn is lost  
Down the Drain  
For you motherfucker  
Another perception awaits
