

Deception - Accept
The Future - Decline
Absorb the anger and hate
The common value for all human race

Fuck

Express disgust
Blindfold your mechanical eye
Where religions have failed you
I will fucking prevail you now

Impact the core
Art of conjuration is the alienation
Impact the core
Aim to the center of opposition
Towards the icon of God

With all corruptional taste
With fracture - evolutionary maze
Where religions have failed you
I will fucking prevail you now
