

Trust to Display

Neurotech

There are ways to deny
With or without someone
To find

There are ways to comply
With or without someone
To fly

Maybe you care too much
Just longing for the touch

I'm afraid, thanks for asking
Could be this way?
Maybe you need someone who can trust
Still contrasting
What if it needs display?

There are ways we can try
With or without someone
To find

There are ways to reach the sky
With or without someone
To fly

Maybe you care too much
Just longing for the touch

I'm afraid, thanks for asking
Could be this way?
Maybe you need someone who can trust
Still contrasting
What if it needs display?

Maybe you need someone

Maybe you care too much
Just longing for the touch
