

Black Again

Neuroticfish

And then the faces turn black again
In my memories

"Evelina Matviјеva was walking home in
Grozny last month when she was hit by
two snipers' bullets which passed right
through her."

"There's been fierce fighting in the
Somali capital Mogadishu. The country
had collapsed into chaos in 1991."

"A man has been shot dead at a mosque
in the town of Saint-Etienne in central
France. The second shot hit him in the
face."

And then the faces turn black again
In my memories

Electronic body music is dead
