

## A&E Melody

Neutral Milk Hotel

You can deny all your addictions  
da da da da da  
(burp)  
do do de de do  
(burp)  
la la la la la la la  
That's how the melody goes  
It's on tape so I won't forget it  
'Cause I'm a pretty weird guy  
And I probably won't remember it  
'Cause it's currently 2:30 in the morning  
And I'm smoking cigarettes  
And I just came up with this melody and wrote some lyrics  
And I think it's gonna turn into a song  
So I guess I'll just put it on a tape  
But then again these tapes cost me two dollars  
And I'm wasting more space than I should  
So I'll shut up  
So OK
