

## Meetings For Surrender

Neva Dinova

you weren't a winner 'til you lost me  
you weren't a winner 'til you lost me  
got your eyes all cleaned our girl you're a winner now.  
you wanted dinner but i can't pay  
you wanted dinner but i can't pay  
there's roses in your world, you're a pretty girl.  
she's a sinner but that's ok  
she's a sinner but that's ok  
my sister's a sinner, i love her anyway.  
i want a girl i can throw away  
i want someone i can leave today  
i want dinner on the plate  
i want a representative in the state to pray for me every day.
