

# Happy

## Never Shout Never

You make me happy whether you know it or not  
We should be happy, that's what I said from the start  
I am so happy knowing you are the one  
That I want for the rest of my days, for the rest of my days  
Through all of my days

You're looking so cool, you're looking so fly  
I can't deny that when I'm staring you down right dead in the eye  
I wanna try to be the person you want  
The person you need, it's hard to conceive  
That somebody like you could be with someone like me

I'm happy knowing that you are mine  
The grass is greener on the other side  
The more I think, the more I wish  
That we could lay here for hours and just reminisce  
Uh, oh, oh

You're looking so fresh, it's catching my eye  
Why oh, why did I not see this before  
The girl I adore was right in front of me  
And now I'll take a step back and look in your eye  
And ask why it took so long to see we're meant to be

I'm happy knowing that you are mine  
The grass is greener on the other side  
The more I think, the more I wish  
That we could lay here for hours and just reminisce

On the good, the bad, the ugly  
The smiles, the laughs, the funny  
Or all the things we put each other through  
It's for you, for you, for you

You make me happy whether you know it or not  
We should be happy, that's what I said from the start  
I am so happy knowing you are the one  
That I want for the rest of my days, for the rest of my days

I'm happy knowing that you are mine  
The grass is greener on the other side  
The more I think, the more I wish  
That we could lay here for hours and just reminisce  
Uh, oh, oh
