

# Hate It

Neverest

Tell me who's the one to blame for what I'm feeling  
Tell me what am I supposed to do  
Tell me when, when I'll be free from your love spell  
Tell me why, tell me why it hurts so good

It's hard to control how I love you too much  
All of me, all of the time

Cause baby I hate it, I hate it, I hate it  
I finally said it and I don't regret it  
Baby I hate it, I hate it, I hate it  
I don't wanna say it, I'm infatuated  
With the beat of your heart  
With the kiss of your lips  
With the look that you give with your eyes  
And baby I hate it, I hate it, I hate it  
And I don't know why

Tell me who, who else could care for you like I do  
Tell me what to do to get to you  
Tell me when your heart will beat for me, I'm waiting  
Tell me why, tell me why it hurts so good

It's hard to control how I love you too much  
All of me, all of the time

Cause baby I hate it, I hate it, I hate it  
I finally said it and I don't regret it  
Baby I hate it, I hate it, I hate it  
I don't wanna say it, I'm infatuated  
With the beat of your heart  
With the kiss of your lips  
With the look that you give with your eyes  
And baby I hate it, I hate it, I hate it  
And I don't know why

On top of the world  
On top of the world  
Is where you'll find me  
On top of the world  
On top of the world  
If you were by my side  
On top of the world  
On top of the world  
Is where you'll take me  
Without you I ain't going, no  
Without you I ain't right

Cause baby I hate it, I hate it, I hate it  
I finally said it and I don't regret it  
Baby I hate it, I hate it, I hate it  
I don't wanna say it, I'm infatuated  
With the beat of your heart  
With the kiss of your lips  
With the look that you give with your eyes  
And baby I hate it, I hate it, I hate it  
And I don't know why
