

# Lovesick

Neverest

We can't go on like this,  
Girl you're killing me.  
It's going on a week  
without your love.  
I know we made mistakes,  
we played the game.  
It would be such a shame  
For us to part.

Let's take it serious.  
Let's make an effort 'cause  
We're losing it,  
we gotta keep it strong.  
And I know I want you  
and you know you want me  
We're both losing,  
can we make it stop?

I'm lovesick, so lovesick  
I'm lovesick, Can we fix it?  
I'm lovesick, So lovesick.  
I'm lovesick  
So what are we supposed to do?  
To make it stop, stop.  
Let's make it stop, stop.  
I'm ready to love, I'm ready to love.  
I'm lovesick, so lovesick

I'm stepping to the plate,  
While you step away  
I'm center stage,  
I'm looking for you.  
So sick of feeling blue  
Fever of 102.  
It's 'cause I'm not with you,  
So baby come back to me.

Let's take it serious.  
Let's make an effort 'cause  
We're losing it,  
we gotta keep it strong.  
And I know I want you  
and you know you want me  
We're both losing,  
can we make it stop?

I'm lovesick, so lovesick  
I'm lovesick, Can we fix it?  
I'm lovesick, So lovesick.  
I'm lovesick  
So what are we supposed to do?  
To make it stop, stop.  
Let's make it stop, stop.  
I'm ready to love, I'm ready to love.  
(I'm ready to love)  
Make it stop, stop (ready).  
Let's make it stop, stop (I'm ready).

I'm ready to love, I'm ready to love.  
(I'm ready to love)

I'll be the first to say  
I did make mistakes  
That's why we're here face to face.  
(Ready for a change)  
Let's make a brand new start  
and mend this broken heart  
(mend this broken heart)  
'Cause I don't want to be lovesick.

I'm lovesick, so lovesick  
I'm lovesick, Can we fix it?  
I'm lovesick, So lovesick.  
I'm lovesick  
So what are we supposed to do?  
To make it stop, stop.  
Let's make it stop, stop.  
I'm ready to love, I'm ready to love.
