Okay lil homies tryna diss and I don't know why
So I'ma have to let em know who you lil n***** owned by
U dance to my songs like a little cheerLeader
Now you want to be a rapper
But that dont work either
(Dissin) none of yall dudes really know me
(I woke up the beef and the ***** was a homie)
Gettin on these dudes, when I'm not in the mood,
The jerk shoes you wear look like space jam shoes, clown
Why do lil n***** always flip
Corey on the other hand look just like the Grinch who stole christmas
Make that clear I own time
Day Day look like one of the characters from Good Times
Goodmenn said "If you want to talk do it silently"
There's nothing you can tell my d*** fans to stop liking me or writing me
They kill for me I'll put you out of your misery
Y'all mentally unstable my n***** like kids you see.

(Meet me on YouTube) D*** That's Rare
(They wear the same clothes) Well at least they share
(What's their name again?) Man F-it who cares
Y'all give it up for Julian & the Strangers
Give it up for them

Tell ya girlfriend I don't want no pics
But her brain on point, you don't want no kiss
The PMS in Power Rangers throwin' dumb old fits
Just because we ain't bring y'all to 106
All the number one dimes can't wait to see me
Sat on a head more times than Langston's beanie
Said she left Julian cuz his pipe game wack
Only b**** he got wet was his mermaid tat
Then y'all wrote Soulja Boy like everything cool
Why y'all on that n**** dick man he dissed yall too
Got a little fanbase, need to pray for some more
Dude I perform for pay, why y'all pay to perform
Their manager's a square and, I'm the first to say it,
If the coach cares then why yall aint in the game yet,
Besides Yung3rd, none of ya flow famous
I swore I say day day on a commercial for Haiti
Thats a low blow something like your girlfriend do
While when ceejay left all yall fans did too,
We already in the building, Yall just knock on doors
And we aint got to jerk, thats wat we got yall for. (Now give it up)

Spotlight you think you all that

aye what about langston trying to go to the power 106 games and acting like
