Tightrope

New Empire

27 days since we've spoken
I think of all the ways that you might have tried
Then I realize, it's good to be wrong sometimes
Found another crack in my ceiling
I took another glance and it disappeared
Fear can be bold, but courage takes it all

You could have lied to me (everything's alright)
And would you lie to me, (just to change your mind)
Cause in a heartbeat you open up my eyes
The hardest part is giving up

You can find me here at the circus
I walk another tightrope to watch me fall
Then I realize, it's good to be wrong

You could have lied to me (everything's alright)
And would you lie to me, (just to change your mind)
Cause in a heartbeat you open up my eyes
The hardest part is giving up

Keeping your balance is easy
When you are sure of the promise
That you'll never fall

You could have lied to me (everything's alright)
And would you lie to me, (just to change your mind)
Cause in a heartbeat you open up my eyes
The hardest part is giving up

You could have lied to me (everything's alright)
You wouldn't lie to me, (just to change your mind)
Cause in a heartbeat you open up my eyes
I guess I won't be giving up
