

Waste Of Time

New Hollow

I can't believe I thought the letters you wrote to me
Were genuine
I can't believe I thought the love you swore to me
Would never end
I counted down the hours seconds lonely days turned into months
Waited endlessly for you to call

What a waste of time
You and your lies
Biggest regret of my life
Thought I'd never stop crying
What a waste of tears

I can't believe I gave into you so easily
Don't you dare try contradicting me
You said we shared one life one future one love
That we would always be
Together forever
You promised me

What a waste of time
You and your lies
Biggest regret of my life
Thought I'd never stop crying
What a waste of tears
And now I realize
You were a waste of time

What a waste of time
You and your lies
I'm moving on with my life
And now you're the one crying
What a waste of years
And now I realize
You're just a waste of time
You were a waste of my time
Just a waste of
Such a waste of time
