

Getting Better

New Hope Club

It's getting better all of the time
I got no pressure to weigh on my mind, so I
Switch up the weather, no sun, no shine
Myself together, I do what I like
And I'm feeling alive

Woke up this morning, I can't complain
Good days are coming, coming my way
Know where I'm going, skip in my walk
I'm on a roll, yeah, I'm walking the talk
Like I was saying before

La-la-la, la-la, la-la, life's getting better
Getting better
Getting better
La-la-la, la-la, la-la, life's getting better
Getting better
Getting better
La-la-la, la-la, la-la, life's getting

Better than ever, so spread the news
It's now or never to do what we do
Sweet like honey, I got no rules
I got no money so nothing to lose
As I was saying to you

La-la-la, la-la, la-la, life's getting better
Getting better
Getting better
La-la-la, la-la, la-la, life's getting better
Getting better
Getting better
La-la-la, la-la, la-la, life's getting-

It is getting better
It is getting better (Better)

It's getting better all of the time
I got no pressure to weigh on my mind (So I)
Switch up the weather, no sun, no shine
Put down your weapons, no need to fight
Between you and I

La-la-la, la-la, la-la, life's getting better
Getting better
Getting better
La-la-la, la-la, la-la, life's getting better
Getting better
Getting better
La-la-la, la-la, la-la, life's getting-
