I get up in the morning and I see your face, girl Your'e looking so good, everything's in place Don't you know I could never leave your side girl Won't you stay here with me and be my bride?

Don't you *know your my kind, your just what i like Girl you're everything, don't you know you're alright The only girl I've always needeed for so long

R: Oh, oh-oh, she's my cover girl
Oh, oh-oh, oh-oh
Oh, oh-oh, she's my cover girl
Oh, oh-oh, oh-oh

When I look through the pages of a magazine Still, your pretty face is the prettiest I've seen Don't you know I only want to be with you No other girl could make me feel the way you do You're my everything

R: (2x)

It's alright
Oh, yeah, it's out of sight
Let me say it's alright
Ah, yeah!

Don't you know I only want to be with you No other girl could make me feel the way you do You're my everthing

R:
