

# Dirty Dancing

New Kids on the Block

Wasn't into dancin', forget about romancing  
Cause I already got a lady  
Wasn't tryin' to be flirty, wasn't feeling dirty  
'Til this shorty started runnin' on me

With her itty-bitty waist and her pretty pretty face  
And the leanest, meanest, badest, badest body  
Didn't have no time to waste, she was looking for a taste  
And she was wanting me to party

Oh, it's so crazy, she's like Baby, I'm like Swayze  
I'm said, oh, and I'm burning up  
So, lets turn it up, I said turn it up now

R: She's dirty dirty dancing, dirty dancing on me  
She's dirty dirty dancing, dirty dancing on me  
She's dirty dirty dancing, dirty dancing, dirty dancing on me  
She's dirty dirty dancing, dirty dancing on me

Now, I ain't looking for no drama,  
I don't want karma cause my baby sittin' in bed at home  
She know that I be lying and that I be trying  
To be trying to get this shorty with me all alone

Pretty pretty lips and her big 'ol hips  
It's getting hotter when she touches me with her fingertips  
And her sexy eyes and thembig 'ol thighs  
It's getting hotter like the block up in the summertime

Oh, it's so crazy, she's like Baby, I'm like Swayze  
I'm said, oh, and I'm burning up  
So, lets turn it up, I said turn it up now

R:

Now, I know that my girl is alone  
And she's been blowing me up on my phone  
But I can shower when I get back home  
Cause tonight I'm dancing dirty, yeah'
