

# Heartbeat

New Kids on the Block

I confess, I never loved nobody  
Like I love you, like I love you  
If you should ever take your love away from me, baby  
What would I do? What would I do?

'Cause my heart only  
Beats for you, baby

And the drummer goes to the beat of my heart  
And the drummer goes to the beat of my heart  
And the drummer goes to the beat of my heart  
And the drummer goes to the beat of my heart

Can you hear my heart beating for ya?  
Can you hear my heart beating for ya?  
Can you hear my heart beating for ya?  
Can you hear it, baby?

I confess that I'm not always perfect  
But I'm perfect for you, perfect for you  
Even though we fight and cry, girl, you know it's not worth it  
I still love you, still love you, yeah

'Cause my heart only  
Beats for you, baby  
And the drummer goes

And the drummer goes to the beat of my heart  
And the drummer goes to the beat of my heart  
And the drummer goes to the beat of my heart  
And the drummer goes to the beat of my heart

Can you hear my heart beating for ya? (Ooh, can you hear it?)  
Can you hear my heart beating for ya? (Can't you hear my heartbeat?)  
Can you hear my heart beating for ya?

Baby, I'm nothing  
Without you here by my side  
You're my whole world  
Baby, I'm nothing  
Without you here by my side (by my side)  
You're my whole world

And the drummer goes to the beat of my heart (to the beat of my heart)  
And the drummer goes to the beat of my heart  
And the drummer goes to the beat of my heart (oh the drummer goes)  
And the drummer goes to the beat of my heart (and the drummer goes)  
And the drummer goes to the beat of my heart  
And the drummer goes to the beat of my heart (can you hear it, baby?)  
And the drummer goes to the beat of my heart  
And the drummer goes to the beat of my heart

Can you hear my heart beating for ya? (Can you hear it?)  
Can you hear my heart beating for ya? (Baby, can you hear it?)  
Can you hear my heart beating for ya? (Can you hear it?)  
Can you hear it, baby?
