Intro: Face the Music

New Kids on the Block

Respect Respected C'mon Yeah Alright Alright Yeah, we been away for a while We been away for a long time But we back We bout to sort all that craziness out So lets talk for a minute Lets do that C'mon It's very controversial A lots been goin on There's been a lot of craziness Did you break up at the concert? C'mon It's a question of lip-synching What you talking about? Lip-synching? Oh man What? Hahaha You know we're better than that What's it all about What is it all about? What are we in it for? Good question What are you in for? Love? You tell me Huh Critics Suckers Hey yo Don! What's up n'goin on? Alright Alright Lets talk about the future What does it mean? What does the future hold? Неу Your guess is as good as mine No strings attached Maybe we'll find out sometime Maybe we already know Hmm... Who knows? But anyway It's all about moving on And striving And growing up And learning Keep keepin on

Yeah
God bless
Cos you see
Uh
The worlds a lot bigger than you and me
You know?
