

Long Time Coming

New Kids on the Block

It's been a long time since I said I love you
It's been a long time since I showed I care
Oh, when life gets crazy, I know I seem ungrateful
I'm too busy running circles in my head

It's been a long time since I've done the little things
Like filling your coffee cup when it's next to mine
I can't remember the last time I said something sweet to you
Like, "Damn, you look so good tonight"

It's been a long time, been a long time coming
And you're all mine, yeah, we still got something
Been a long time, been a long time coming, babe
It's been a long time, been a long time coming
You're on my side and I don't need nothing
Been a long time, been a long time coming, babe

It's been a long time since I held you like this
It's been a long time but I can't forget
Every battle scar and beauty mark on your skin
You're still beautiful as you've ever been

It's been a long time, been a long time coming
And you're all mine, yeah, we still got something
Been a long time, been a long time coming, babe
It's been a long time, been a long time coming
You're on my side and I don't need nothing
Been a long time, been a long time coming, babe

You're a lover, you're a fighter
A midnight run survivor
You're a leader, a believer
And you're always there when I need you
'Cause all this time, you read my mind
But tonight I'm gonna say it
Damn, you're the best thing in my life (Ooh)

It's been a long time, been a long time coming
And you're all mine, yeah, we still got something (Ooh)
Been a long time, been a long time coming, babe (Ooh)
It's been a long time, been a long time coming
You're on my side and I don't need nothing (Ooh)
Been a long time, been a long time coming, babe (Ooh)

It's been a long time, been a long time coming (Oh, oh)
And you're all mine, yeah, we still got something (Ooh)
Been a long time, been a long time coming, babe (Oh, oh, ooh)
It's been a long time, been a long time coming (Oh, oh)
You're on my side and I don't need nothing (Ooh)
Been a long time, been a long time coming, babe (Oh, oh)

Been a long time coming, babe
