

Unwrap You

New Kids on the Block

It's getting cold out and the snow is coming down
I should be there to keep you warm but you're alone now
One more plane ride and I'll be right there by your side
With every second that goes by I'm getting closer

Another year has come and gone
And I know I've been gone too long
But if you just hold on I'm coming home

Baby it's Christmas, how could I miss this?
The work and the worry and the wait is through
Tonight I'm gonna unwrap you
Baby it's Christmas tonight
I'm feeling the feeling inside
Alone, Santa told me what you want me to do
Tonight I'm gonna unwrap you

Traffic's crazy but now I'm coming down the block
And I can see the candles glowing in the window
Hey there baby, ooh! Damn you look so hot
I don't ever think I've seen you look more beautiful

Another year has come and gone
And Santa know just what I want
So come and kiss 'neath the mistletoe

Baby it's Christmas, how could I miss this?
The work and the worry and the wait is through
Tonight I'm gonna unwrap you
Baby it's Christmas tonight
I'm feeling the feeling inside
Alone, Santa told me what you want me to do
Tonight I'm gonna unwrap you

Oh-oh, oh-oh
Oh-oh, oh-oh, oh

And now that we are here there's magic in the air
My favorite time of year, it's Christmas time, it's Christmas time
And now that we are here the single song of cheer
It's Christmas time, oh

Baby it's Christmas, how could I miss this?
The work and the worry and the wait is through
Tonight I'm gonna unwrap you
Baby it's Christmas, how could I miss this?
The work and the worry and the wait is through
Tonight I'm gonna unwrap you
Baby it's Christmas tonight
I'm feeling the feeling inside
Alone, Santa told me what you want me to do
Tonight I'm gonna unwrap you

This Christmas, ooh, whoo-hoo
(Oh-oh, oh-oh)
(Oh-oh, oh-oh, oh)

I've been such a good boy this year
I've got my present, bad year
Been such a good boy
I've got my present, bad year
