51st State

New Model Army

Look out of your windows, watch the skies
Read all the instructions with bright blue eyes
We're W.A.S.Ps, proud American sons
We know how to clean our teeth and how to strip down a gun

We're the 51st state of America

Our star-spangled Union Jack flutters so proud
Over the dancing heads of the merry patriotic crowd
Tip your hat to the Yankee conqueror
We've got no reds under the bed with guns under our pillows

We're the 51st state of America

Here in the land of opportunity, watch us revel in our liberty
You can say what you like but it doesn't change anything
Because the corridors of power are an ocean away

We're the 51st state of America
