

# You Get What You Give

New Radicals

One, two  
One, two, three

Wake up kids  
We've got the dreamers disease  
Age 14 we got you down on your knees  
So polite, you're busy still saying please

Frienemies, who when you're down ain't your friend  
Every night we smash their Mercedes-Benz  
First we run and then we laugh till we cry

But when the night is falling  
You cannot find the light, light  
If you feel your dreams are dying  
Hold tight

You've got the music in you  
Don't let go  
You've got the music in you  
One dance left  
This world is gonna pull through  
Don't give up  
You've got a reason to live  
Can't forget  
We only get what we give

I'm coming home, baby  
You're tops  
Give it to me now

Four a.m. we ran a miracle mile  
We're flat broke but hey we do it in style  
The bad rich  
God's flying in for your trial

But when the night is falling  
You cannot find a friend, friend  
You feel your tree is breaking  
Just then

You've got the music in you  
Don't let go  
You've got the music in you  
One dance left  
This world is gonna pull through  
Don't give up  
You've got a reason to live  
Can't forget  
We only get what we give

This whole damn world can fall apart  
You'll be ok, follow your heart  
You're in harms way I'm right behind  
Now say you're mine

You've got the music in you

Don't let go  
You've got the music in you  
One dance left  
This world is gonna pull through  
Don't give up  
You've got a reason to live  
Can't forget  
We only get what we give  
Don't let go  
I feel the music in you

Fly high, high  
What's real can't die  
You only get what you give  
You gonna get what you give

Just don't be afraid to leave  
Health insurance rip off lying  
FDA big bankers buying  
Fake computer crashes dining

Cloning while they're multiplying  
Fashion shoots with Beck and Hanson  
Courtney love and Marilyn Manson  
You're all fakes

Run to your mansions  
Come around  
We'll kick your ass in

Don't let go  
One dance left  
Don't give up  
Can't forget  
Don't
