

24 Hours

New Rules

Late nights at your place we would spend all our days making time just to waste it away
Yeah those days went too fast and the nights couldn't last
Did I tell you I need you too late

Oh I-I-I-I-I I miss all of our fights 'cause we'd make up all night
And it's got me thinking how I-I-I-I-I
I let you slip through my hands and I try to understand how

I used to spend 24 hours with you but now I'm lying in this empty room
Thinking 'bout all the little things that we'd do
If I had one more second with you
Heard you found someone who that deep down you know that you
Yeah you know that he can't hold you like I would do
So does he spend 24 hours with you while I'm lying in this empty room
Thinking of you

Are you thinking of me 'cause I just can't believe that there's somebody better for you
If I called you up now would it change your mind some how
Won't you tell me the truth

Oh I-I-I-I-I I miss all of our fights 'cause we'd make up all night
And it's got me thinking how I-I-I-I-I
I let you slip through my hands and I try to understand how

I used to spend 24 hours with you but now I'm lying in this empty room
Thinking 'bout all the little things that we'd do
If I had one more second with you
Heard you found someone who that deep down you know that you
Yeah you know that he can't hold you like I would do
So does he spend 24 hours with you while I'm lying in this empty room
Thinking of you

We'd make up all night

I used to spend 24 hours with you but now I'm lying in this empty room
Thinking 'bout all the little things that we'd do
