New Rules

Oh Anna
Saw you dancing
And I know it's kinda random
But I think you look amazing tonight
And I know it might be nothing
But in case it turns to something
I think that we should give it a try

And I know and I know and I know you
But you're smiling and it's shining so bright
And I just wanna say I love you today
And I'll love you for the rest of my life

Am I moving too fast, love?
I've been known to skip a couple steps in the past
Am I coming on strong, love?
If I am it's only cause you're worth holding on to
And there was only a second
And it flashed on by
But I knew that I meant it
When I looked into your eyes

Oh Anna
Saw you dancing
And I know it's kinda random
But I think you look amazing tonight
And I know it might be nothing
But in case it turns to something
I think that we should give it a try

And I know and I know and I know you
But you're smiling and it's shining so bright
And I just wanna say I love you today
And I'll love you for the rest of my life

And I la la love you
La la love you
And I love you for the rest of my life
And I la la love you
La la love you
And I love you for the rest of my life
