## New Rules

Khadijah  
Every time I see you  
My heart skips a beat  
Where have you been all my life  
Oh I need you  
Just like the air I'm breathing  
Just give me a reason  
And I'll give you all my life

You messed me up in the best way  
You trip me up you're a bandaid  
It kinda hurts but it's okay, it's okay  
As long as you're here  
Cause baby I'll flatline, flatline  
But you'll get me back in no time, no time  
Maybe you're my lifeline, lifeline  
If that's what you are

Khadijah  
Every time I see you  
My heart skips a beat  
Where have you been all my life  
Oh I need you  
Just like the air I'm breathing  
Just give me a reason  
And I'll give you all my life  
Khadijah

Every time that I see you  
My heart's skippin a beat, yeah  
Where have you been all my life  
Khadijah
