

Oh Maryam, how I wish I was your man  
But you're in the UA, y'know you ain't where I am  
So I'm gonna tell you in the only way I can  
I think I'm falling for you, Maryam

I know that actions speak louder than words  
So go ahead say it, might travel halfway round the world  
Oh a train, a plane, I'd do anything  
Anything to get me where you are

Maryam, how I wish I was your man  
But you're in the UA, y'know you ain't where I am  
So I'm gonna tell you in the only way I can  
I think I'm falling for you, Maryam

Maryam, Maryam  
I think I'm falling for you, Maryam  
I wanna marry ya, Maryam  
I think I'm falling for you, Maryam
